The West Branch Public Library Summer Reading Programs are soon approaching. Once again the library will have reading incentives and programs for all ages. This year's program themes are all about travelling and finding new destinations: One World, Many Stories (preschool and elementary age), a You Are Here (Teen), and Novel Destinations (Adult). This year, the library will be hosting Events involving animals of North America from Blank Park Zoo, the Starlab from the Grout Museum, and an interactive story featuring balloon animals from Creations with a Twist. More information will be sent out in Friday Folders, provided on Cable Access, online, and at the library. We hope to see you all at the library
