

**City of West
Branch
Office of the
City
Administrator**

To: City Council

From: Matt Muckler, City Administrator

Date: June 21, 2013 Weekly Council Update

- **Main Street Closure:** The intersection of 6th Street and Main Street will be closed for sewer main repairs beginning Monday June 24th. Work will take place on Main Street from June 24th through June 28th and repairs will be made to the street on Friday June 28th. Main Street is scheduled to be reopened on Friday evening June 28th. Through traffic to Springdale is encouraged to use I-80 during construction. Work on 6th Street south of Green Street will also be completed during this time, but that portion of 6th Street will not be reopened until July 10th. Residents are asked to use 5th Street for access to 6th Street. No on-street parking will be allowed between Green and Main Street on 6th Street for the duration of the project.

- **Dog Park Meeting:** A planning meeting to discuss further development of the dog park attracted a nice crowd on Thursday evening June 20th at 6:30 p.m. at the City Office. Fundraising, organization and construction efforts were discussed. Grass is currently growing on the site. A group of volunteers met after the regular meeting to discuss operation of the non-profit, West Branch Dog Park, Inc. and future by-laws which will provide guidance on the maintenance of the park after it is constructed.
