News & Events

- January 6 was air pack and radio communication training. The fire department has new radios and so personnel were trained on how to switch channels for Cedar and Johnson county. A repeater has been installed in rescue truck 199, and two more are to be installed for fire truck 191 and medical truck 197.
- Business meeting was held on January 13. Allison Kusick was voted on as an EMT, she has previously served through the cadet program since 2013.
- EMS Fest was held in Tipton on January 30 where seven speakers gave continuing education presentations.

Cadets Cole Tisinger and Jace Gongora gear up for air pack training.
