

RESOLUTION NO. 1064

RESOLUTION ACCEPTING THE WEST BRANCH FLOOD CONTROL DAM PROJECT AS SUBSTANTIALLY COMPLETED.

WHEREAS, Barnhart's Custom Services of West Branch, Iowa was awarded the construction contract for the West Branch Flood Control Dam Project (the "Project"); and

WHEREAS, Project Engineer Kent O. Rice, PE, with French-Reneker-Associates, Inc. has declared that said Project has now been completed in accordance with the drawings and specifications on the Project; and

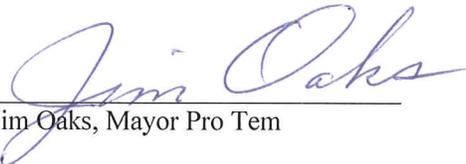

WHEREAS, French-Reneker-Associates, Inc. has declared that said Project has now been completed based on observations during construction, certification by the material suppliers for the pipe and granular materials, testing performed, and a final review which took place on December 24, 2012 by Project Engineer Kent O. Rice, P.E.; and

WHEREAS, it is now necessary for the City Council to accept the aforementioned as substantially completed.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the West Branch, Iowa, that the West Branch Flood Control Dam Project be accepted as substantially completed.
