News & Events

- We had yet another successful Hoover's Hometown Days. Fire in the Hole Bags tournament had a great turnout this year. The winning team "Poolside" came out with the win late Friday night(or should we say early Saturday morning).
- Thanks to everyone who came out to support us and participate in our events throughout the weekend, our volunteers and sponsors work hard to make it happen each year. We love celebrating this great town every August.
- August 9, West Branch and Tipton battled a fire and were able to save a hog barn.
- Save the date for February 11, the 30th annual Johnson County EMS Saturday will be hosted by Johnson County Ambulance in Iowa City.

Thank you sponsors!
