Todd Stoolman Benefit was held at the Department on March 2, 2019.

There were many nice items donated to the cause for the silent auction and we served over 500 people for the spaghetti supper.

Thank you to the Community for all of your support as we assist Todd and his family in his fight against cancer.

A note from Todd and his family:

THANK YOU to the Community of West Branch and the WBFD, Family and Friends from near and far that helped, contributed and attended the Todd Stoolman Fundraiser!! We will never be able to thank you all enough!! We are feeling very lucky and loved today. The Todd Stoolman Family.
