Explanation of increases or decreases in revenue estimates, appropriations, or available cash:

Various capital projects were not completed in FY19 as anticipated, causing unbudgeted expenditures in FY20. Additionally, Iowa DOT changed the plan for city utility relocation work and compensation for it related to widening I-80, requiring additional expenditures. The Library incurred an unplanned maintenance expense which will be paid for from existing reserves. The Library received a memorial gift for creating a teen/second meeting space which it will now accomplish.

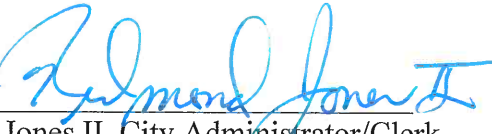

There will be no increase in tax levies to be paid in the current fiscal year named above related to the proposed budget amendment. Any increase in expenditures set out above will be met from the increased non-property tax revenues and cash balances not budgeted or considered in this current budget.
