

### **Fall Leaf Pickup 2023 – Starts Monday, October 23<sup>rd</sup>**

The City provides curbside leaf collection during the months of October and November. Leaf collection begins at approximately 7:00 am on the EAST side of town and works WEST on **Monday, Tuesday and Wednesday**.

Public Works will make **ONE PASS THROUGH TOWN EACH WEEK**.

- Leaves should be raked to the curb, but not placed in the street.
- If your leaves are not raked to the curb by the time Public Works gets to your yard, they will not be collected until the following week.
- Do not park your cars in front of the leaf piles as our equipment will not be able to reach them.
- Leaf piles should be free of tree limbs, sticks, grass clippings, garbage and any foreign objects as this will damage our equipment.
- Yard waste should be placed separate from the leaf piles for collection

**The last leaf collection day will Friday, December 1<sup>st</sup> (subject to change if we have an early snow fall)**
